XEROX® VERSALINK® COLOR MULTIFUNCTION PRINTER

Powerful performance. Personalized productivity.

C605

Xerox® VersaLink® C605 Color Multifunction Printer

The VersaLink® C605 Color Multifunction Printer represents the new definition of exceptional performance and unbeatable reliability. Cloud-connected, mobile-ready, app-enabled, and easy to customize, the C605 is your modern workplace assistant — transforming the way you work today, while ensuring you'll stay one step ahead tomorrow.

To learn more about VersaLink[®] device features, go to **www.xerox.com/VersaLinkEG**.

RELIABLE PRODUCTIVITY AND PEACE OF MIND.

Right out of the box, you'll count on your VersaLink® C605 to consistently and flawlessly perform the tasks that make your business work more efficiently. From IT-free installation wizards, to step-by-step configuration options, you're ready to go — hassle free.

Completely re-engineered for superior reliability, the VersaLink® C605 features a new hardware design with fewer moving parts, and a more advanced Hi-Q LED print head.

VersaLink[®] devices are loaded with features and time-saving Xerox[®] technologies designed to speed up information sharing and reduce inefficient workflows. Ensure information accuracy with Scan and Fax Preview, and do more with scanned documents with built-in optical character recognition (OCR).

When it comes to safeguarding critical information, VersaLink® devices deliver a spectrum of stringent security features, including Secure Print and card authentication to control access.

Count on superior print quality to make your work look its best. A print resolution of up to 1200 x 2400 dpi delivers sharp text and fine line detail, plus exceptional color vibrancy.

EASY, EFFICIENT AND ENTIRELY NEW.

With the customizable, capacitive 7-inch color touchscreen, you can tap, swipe and pinch your way through tasks and functions with mobile-like ease.

Get more done in less time by creating customized 1-Touch Apps to automate multi-step workflows for individuals or groups. Simply tap your new app to quickly perform the job you configured. And with Simple ID, individual users and groups enter a user ID and password once, and then enjoy fast, secure access to task-specific presets, individualized favorite contacts and commonly used apps on a personalized home screen.

MOBILE FREEDOM AND APP-BASED FLEXIBILITY.

The VersaLink[®] C605 Color Multifunction Printer gives you the freedom to work where and how you want — with out-of-the-box connectivity to Google Drive[™], Microsoft[®] OneDrive[®] and DropBox[™], and access to additional options through the Xerox App Gallery.

The ability to connect and print from multiple devices is key for today's worker, and VersaLink® devices meet the challenge with Apple® AirPrint®, Google Cloud Print™, Xerox® Print Service Plug-in for Android™, Near Field Communication (NFC) Tap-to-Pair and Mopria®, plus optional Wi-Fi and Wi-Fi Direct.

INTRODUCING TOUCHSCREEN SUPERIORITY.

Meet the industry's most advanced, 7-inch color touchscreen interface. It's a user experience that sets a higher standard for customization, personalization and versatility.

By presenting a familiar "mobile" experience — with support for gestural input and task-focused apps that share a common look and feel — fewer steps are needed to complete even the most complex jobs.

A highly intuitive layout guides you through every task from start to finish, with a natural hierarchy placing critical functions near the top of the screen and commonly used options front and center. Don't like where a function or app is located? Customize the layout to make it yours.

This unmatched balance of hardware technology and software capability helps everyone who interacts with the VersaLink $^{\odot}$ C605 Color Multifunction Printer get more work done, faster.

Xerox[®] VersaLink[®] C605

The VersaLink® C605 Color Multifunction Printer are built on Xerox® ConnectKey® Technology.
